Circular 25 /11-12

To parents and guardians,

"Library Cards for All School Children" Scheme

'Life-long learning' is the main thrust of our curriculum reform. Libraries play a pivotal role in the promotion of life-long learning. Students should fully utilize services and facilities provided by the school libraries as well as the Hong Kong Public Libraries.

The Education Bureau and the Leisure and Cultural Services Department jointly organized the "Library Cards for All School Children" scheme to encourage students to make full use of services provided by the Hong Kong Public Libraries. Our school encourages all the students to apply for Hong Kong Public Libraries library cards or to use Smart Identity Cards as identity cards allowed for library purposes.

Methods of application for Hong Kong Public Libraries library cards or using Smart Identity Cards are as follows:

(a) Direct Application

Students may visit any public libraries with their parents to apply for and receive library cards / library card numbers for Smart Identity Cards **directly**. Applicants and their parents should present supporting documents showing their residential addresses and personal identifications.

(b) Bulk Application through Schools

Students may ask the Teacher Librarian for a Library Card Application Form, complete and submit it in person at School Library. Library card / library card numbers of Smart Identity Cards will be issued in about two months.

If you have any enquiries, please feel free to contact Ms Wong Ka Wan.
